Only 30 Days Left to Claim Overpaid Property Taxes for 1996 – 2002!

- Who:** San Diego County Treasurer-Tax Collector, Dan McAllister
- What:** Last August, an examination of the Tax Collector's refund processes by the Grand Jury and the Treasurer-Tax Collector's office revealed that approximately 11,000 property taxpayers were owed an estimated \$2.4 million in tax refunds for the years 1996-2002. Since that time, the Treasurer-Tax Collector has managed to reunite many of the taxpayers with their missing money. To date, nearly 5,300 taxpayers have been identified and refunds totaling over \$1.6 million have been returned to taxpayers. However, a large number of refunds still remain! Treasurer Tax-Collector McAllister is now asking for your help in locating the remaining taxpayers who may be entitled to refunds before the refund program comes to a close on June 30th.
